

New Policy Update

9/10/2021

To Our Credit Card Customers,

We thank you for your business with Skagit Gardens. Beginning October 1, 2021, we will be charging a 3% processing fee on all credit card charges. Our accounting team is available to answer your questions. You may reach out to us to discuss this change and any alternatives that may be available to you.

We have credit applications available to those customers who would like to apply for credit terms. Upon review & approval of credit, you may then send your payment by check or ACH.

For your convenience, we will continue to store your card information in our secure system for automatic processing at the time of invoicing. Notify us as soon as possible with any changes.
