

February 7, 2024

To Our Customers,

Skagit Horticulture LLC will be discontinuing operations April 7<sup>th</sup>, 2024. This includes our Skagit Gardens and Northwest Horticulture brands. We have weathered many challenges in the past. However, current economic issues including market pressures, production cost, energy cost, freight cost and the business climate in the State of Washington have all contributed to this decision.

We plan to continue to have products available for sale through March 29<sup>th</sup> on a first come, first served basis while supplies last. Please continue to work with your account manager or you can place your order at [www.skagitgardens.com](http://www.skagitgardens.com) **All sales will be final.**

If you have other questions, please reach out to Katie Miller at your earliest convenience.
