

J PAK annuals

Starting 2024, we are offering select annuals in a 6-cell Jumbo Pak tray. This includes six paks, each containing six 5-oz cells, a total of 36 plants! J Paks are typically used for larger landscapes, given their economic value of plentiful robust starter plants that can easily be spread out to fill in any desired space.

	Common Name	Varieties	Sun Exposure	Avg Height (inches)	Avg Spread (inches)	Uses
	<i>Alyssum</i>	Mix Purple Shades White	Full Sun	6-10"	14"	Great for edging or growing between walkway stones for filler.
	<i>Cosmos</i>	Sea Shell Mix Sensation Mix	Full Sun	36-48"	18"	Useful as a cutting garden plant or in a wild meadow garden. Attracts butterflies and birds. Self seeds freely.
		Sonata™ Carmine Sonata™ Mix Sonata™ White		20-24"	12"	
	<i>Impatiens</i>	Beacon® Mix Beacon® Pearl Island Mix Beacon® Portland Mix	Part/Full Shade	14-18"	14"	Number one selling bedding plant. Great for interplanting with light colored or silvery foliage or with white petunias.
	<i>Lobelia</i>	Compact Dark Blue Compact Sky Blue Compact White	Part Sun	4-8"	8"	A useful annual for the rock garden, containers, hanging baskets or as an edging border.
		Trailing Dark Blue Trailing Sky Blue Trailing White		4-6"	10"	
	<i>Marigold</i>	French Durango® Bee French Durango® Mix French Durango® Orange French Durango® Yellow	Full Sun	10-12"	8"	Good for garden beds and containers. Makes excellent cut flowers. Attracts butterflies.
		French Single Mix		5-8"	10"	
	<i>Petunia</i>	Multiflora Burgundy Multiflora Dark Blue Multiflora Red Multiflora Rose Multiflora Salmon Multiflora Soft Yellow Multiflora White	Full Sun	8-12"	12"	Dependable annual used for color masses, borders, containers, hanging baskets or as a seasonal groundcover.
	<i>Portulaca</i>	Sundial Mix Sundial Peppermint Sundial Scarlet Sundial Yellow	Full Sun	6"	16"	Versatile as a ground cover, bedding plant, in containers or hanging baskets. Also very attractive to pollinators.
	<i>Salvia</i>	Victoria Blue	Full Sun	16-20"	12"	Excellent bedding plant. Great as a cut flower and dries well.
	<i>Snapdragon</i>	Rocket Bronze Rocket Golden Rocket Mix Rocket Orchid Rocket Red Rocket White	Full Sun	30-36"	18"	Another pollinator-friendly plant. Commonly used as a cut flower or bouquet arrangement.
	<i>Zinnia</i>	Magellan™ Mix	Full Sun	12-14"	12"	Excellent for landscape color or cutting gardens. Interplant between vegetables to attract more pollinators.
		Profusion Mix		14-18"	24"	
		State Fair Mix		36-48"	14"
