Perennial

USDA Hardiness Zone: 4(-30°)

Achillea Moonshine

Genus Achillea

Variety `Moonshine`

Exposure Full Sun

Height 18-24"

Spread 15"

Description Gray green, feathery leaves all year. Wide, flat heads of bright canary yellow rise above the foliage, superb as cut flowers. Mixed borders and rockeries.

Care Thrives in a sunny, well-drained site in ordinary soil. Trim plants after flowers have bloomed.
