

Adiantum venustum Himalayan

Genus	Adiantum
Variety	venustum Himalayan
Exposure	Part to Full Shade
Height	6-12"
Spread	9"

Description Lacelike fronds on black stalks. Bright green foliage ages to blue green; bronze blush in winter. Spreads slowly. Use along pathways or as a ground cover under shrubs.

Care Prefers moist, well-drained soil. Remove dead and damaged fronds in spring. Do not allow to dry out.

Deer Resistant

Perennial

USDA Hardiness Zone: 5(-20°)
