

Cabbage Ornmtl Crane White

Genus	Cabbage
Variety	Crane(TM) White
Exposure	Full Sun to Part Shade
Height	24-36"
Spread	6"
Description	Rosette of creamy white outer leaves and pink inner leaves. Sturdy stems good for cutting. Nice choice for beds, borders and containers.
Care	Prefers cool conditions. Water regularly. Remove lower leaves as stem elongates to form rosette at the top of the stem.

Annual
