Annual

Geranium Fancy Mrs Pollock

Genus Geranium, Fancy Leaf

Variety `Mrs. Pollock`

Exposure Full Sun to Part Shade

Height 12-15"

Spread 6"

Description Attractive palmate green leaves with distinctive yellow edges and tinges of tomato orange. Upright, lightly-scented, scarlet flowers. Containers, beds and borders.

Care Needs evenly moist, well-drained soil. Water only as needed. Remove spent flowers to encourage late-season blooms.

Bloom Time Late Spring- Fall
