

Verbena Trl Estrella Dark Purple1

Genus	Verbena
Variety	Estrella® Dark Purple
Exposure	Full Sun
Height	8-12"
Spread	18"
Description	Showy clusters of star-shaped, deep purple flowers that are excellent for cutting. Narrow, woolly, fine-textured foliage spills over baskets and containers.
Care	Prefers well-drained soil. Remove spent flowers to encourage continued bloom.
Bloom Time	Spring- Fall

Perennial

USDA Hardiness Zone: Light Frost
