Annual

Basil Red Rubin

Genus Basil

Variety `Red Rubin`

Exposure Full Sun to Part Shade

Height 12"

Spread 10"

Description Culinary and ornamental herb with coppery purple leaves, a dense habit, and intense flavor. Great for flavoring oils, and pretty enough for borders. Matures in 68 days.

Care Prefers consistently moist, well-drained, fertile soil and regular watering. Pinch off flower buds.

Bloom Time Insignificant
