Annual

## Basil Red Rubin

**Genus** Basil

**Variety** `Red Rubin'

**Exposure** Full Sun to Part Shade

**Height** 12"

**Spread** 10"

**Description** Culinary and ornamental herb with coppery purple leaves, a dense habit, and intense flavor. Great for flavoring oils, and pretty enough for borders. Matures in 68 days.

**Care** Prefers consistently moist, well-drained, fertile soil and regular watering. Pinch off flower buds.

**Bloom Time** Insignificant
