

Annual

Tomato San Marzano

Genus	Tomato
Variety	'San Marzano'
Exposure	Full Sun
Spread	36"
Description	Bright red, Italian plum-type tomato with meaty flesh and balanced flavor. Great choice for making paste, and good shape for canning and drying. Matures in 80 days.
Care	Prefers rich, moist, well-drained soil high in organic matter. Water regularly and maintain a mulch to retain soil moisture.
Heirloom Plant	Y
