Coleus Orange King

Genus	Coleus
Variety	Orange King
Exposure	Sun to Shade
Height	24-36"
Spread	30"

Description Bronze gold leaves with an orange overlay and red purple undersides. Sun shining through the leaves creates a stained glass effect. Works in containers, beds, borders.

Care Thrives in moist, well-drained soil with regular water. Apply a slow-release fertilizer in spring. Deadhead if desired.

Pollinator Friendly

Deer Resistant

Annual
