## Viola Tiger Eye Yellow

<b>Genus</b>	Viola
<b>Variety</b>	Tiger Eye(TM) Yellow
<b>Exposure</b>	Full Sun to Part Shade
<b>Height</b>	5-7"
<b>Spread</b>	6"
<b>Description</b>	Unique, bright golden yellow flowers are heavily and intricately marked with distinct black veins and eyes, creating a new look for violas. Great for border contrast.
<b>Care</b>	Grow in average to moist soil. Prefers cool summers with low humidity. Fertilize every other week. Deadhead and cut back as needed.
<b>Bloom Time</b>	Spring, Fall

Perennial

USDA Hardiness Zone: 4(-30°)
