

Annual

Parsley Flat Italian

Genus Parsley

Variety `Italian'

Exposure Full Sun to Part Shade

Height 10-12"

Spread 12"

Description Adds a soft delicate texture to the garden. Leaves are not the fancy curled type, but have excellent flavor. Fragrant garnish high in vitamin C.

Care Plant in fertile, well-drained soil. Harvest developed sprigs by cutting back to 2" above soil level.

Bloom Time Insignificant
