## Trollius Lemon Supreme

<b>Genus</b>	Trollius
<b>Variety</b>	'Lemon Supreme'
<b>Exposure</b>	Full Sun to Part Shade
<b>Height</b>	10-12"
<b>Spread</b>	24"
<b>Description</b>	Rounded, yellow buds open to clear lemon yellow, bowl-shaped blooms on a compact dwarf with lobed, dark green leaves. Good in woodlands, around ponds, in containers.
<b>Care</b>	Easily grown in average to moist soil with consistent water. Shear back after bloom. Fertilize in spring and after cutting back.
<b>Bloom Time</b>	Spring- Early Summer

Pollinator Friendly
