## Pansy Yellow w/ Purple Wing

<b>Genus</b>	Pansy
<b>Variety</b>	Yellow w/ Purple Wing
<b>Exposure</b>	Full Sun to Part Shade
<b>Height</b>	4-8"
<b>Spread</b>	10"
<b>Description</b>	Large, yellow flowers with purple wings and dark centers and edges, on short, sturdy stems. Extremely heat tolerant. For borders, mass plantings, and containers.
<b>Care</b>	Fertile, well-drained soil. Water regularly. Mulch to extend bloom, and remove faded flowers for best display.
<b>Bloom Time</b>	Spring- Fall

Tender Perennial

USDA Hardiness Zone: 6(-10°)
