Coleus Main Street La Rambla

Genus	Coleus
Variety	Main Street La Rambla
Exposure	Full Sun to Shade
Height	16-36"
Spread	24"
Description	Heavily textured, green foliage with dark maroon veining and flashes of red along the midrib. Mixed containers, borders, mass planting.
Care	Moist, well-drained soil with regular water. Apply a slow-release fertilizer in spring. Remove flower buds to prevent decline.

Annual
