## Coleus Main Street River Walk

**Genus** Coleus

**Variety** Main Street River Walk

**Exposure** Full Sun to Shade

**Height** 16-36"

**Spread** 24"

**Description** Pointed, toothed, velvety, dark green leaves with chartreuse to bright yellow veins. Compact, upright habit. Mixed containers, borders mass planting.

**Care** Moist, well-drained soil with regular water. Apply a slow-release fertilizer in spring. Remove flower buds to prevent decline.
