## Calla Lily Black Diamond

<b>Genus</b>	Calla Lily
<b>Variety</b>	'Black Diamond'
<b>Exposure</b>	Full Sun to Part Shade
<b>Height</b>	20-24"
<b>Spread</b>	12"

**Description** Classic calla lily form but in a striking dark purple black color, on long stems. Arrowhead-shaped, white-spotted, dark green leaves. Cutting gardens, containers, beds.

**Care** Grow in moist, well-drained soil with regular watering. Apply a balanced fertilizer monthly. Pull stems instead of cutting.

**Bloom Time** Summer

**Patent** Protected Variety

Deer Resistant
